

Clipper Construction Cutting Tools

Technical Data Sheet | SKU: CLIP-CUT

PRODUCT DESCRIPTION

Clipper cutting products are used for controlled cutting needs on concrete, asphalt and stone surfaces in construction and technical maintenance applications.

PRODUCT INFORMATION

SKU: CLIP-CUT

Brand: Clipper

Category: Technical Supplies

Origin: Imported

Product Type: Construction Cutting Tool

Use: Concrete, asphalt and stone cutting

Application Area: Maintenance and Service, Glass, Cement and Mining

Sectors: Mining, Other Industrial Production Areas

APPLICATION AREAS

- Concrete, asphalt and stone cutting
- Maintenance and Service
- Glass, Cement and Mining
- Maintenance and technical service applications
- Production support operations
- Process and surface preparation needs

KEY FEATURES

- Field use
- Controlled cutting
- Durable segment
- Supports operational continuity and process control

PERFORMANCE LEVEL / STANDARDS

- EN 13236
- EN 12413
- ISO 603

TECHNICAL VALUES

The technical values below must be verified against the current official brand technical data sheet.

Property | Test Method | Unit | Typical Value

Appearance | Brand TDS | - | To be taken from official TDS

Density @20C | ASTM D4052 | g/cm³ | To be taken from official TDS

pH / Active Matter | Brand TDS | - | To be taken from official TDS

Application Temperature | Brand TDS | C | To be taken from official TDS

Dilution / Use Ratio | Brand TDS | % | To be taken from official TDS

APPLICATION NOTE

Apply the product according to the relevant plant procedure after checking process conditions, material compatibility, occupational safety instructions and manufacturer documents.

STORAGE

Keep the package closed; store in a dry and ventilated area away from direct sunlight, freezing, excessive heat and ignition sources. Protect the product from water, dust and foreign matter contamination.

SAFETY

Refer to the current Safety Data Sheet for safe use, handling, storage and disposal. Apply personal protective equipment and plant occupational safety instructions.
