

Condat Industrial Greases

Technical Data Sheet | SKU: CON-GREASE

PRODUCT DESCRIPTION

Condat industrial greases are positioned for long-term lubrication and equipment protection in heavy industry and continuous process equipment.

PRODUCT INFORMATION

SKU: CON-GREASE

Brand: Condat S.A

Category: Greases

Origin: Imported

Product Type: Industrial Grease

Use: Bearings, bushings and heavy duty

Application Area: Bearing and Greasing Points, Rolling and Heavy Process

Sectors: Iron and Steel, Paper, Mining, Other Industrial Production Areas

APPLICATION AREAS

- Bearings, bushings and heavy duty
- Bearing and Greasing Points
- Rolling and Heavy Process
- Bearings and lubrication points
- Equipment operating under heavy load
- Maintenance and relubrication applications

KEY FEATURES

- Load resistance
- Long service life
- Equipment protection
- Lubricating film support under load and temperature conditions
- Contributes to relubrication interval management

PERFORMANCE LEVEL / STANDARDS

- NLGI
- DIN 51502

TECHNICAL VALUES

The technical values below must be verified against the current official brand technical data sheet.

Property | Test Method | Unit | Typical Value

NLGI Grade | ASTM D217 | - | To be taken from official TDS

Worked Penetration | ASTM D217 | 0.1 mm | To be taken from official TDS

Dropping Point | ASTM D2265 | C | To be taken from official TDS

Base Oil Viscosity @40C | ASTM D445 | mm²/s | To be taken from official TDS

Water Resistance | ASTM D1264 | % | To be taken from official TDS

APPLICATION NOTE

Before application, check the current grease base type, bearing speed, ambient temperature, load level and relubrication interval. Clean the system before mixing with incompatible greases.

STORAGE

Store in the original closed package in a dry, cool warehouse away from direct sunlight. Close drum and canister caps after use; protect the product from water, dust and foreign matter contamination.

SAFETY

Refer to the current Safety Data Sheet for safe use, handling, storage and disposal. Apply personal protective equipment and plant occupational safety instructions.
