

Food Grade Lubricant

Technical Data Sheet | SKU: LBP-FOOD-H1

PRODUCT DESCRIPTION

Food grade lubricants are used in food facilities for hygiene-focused selection at bearings, chains, hydraulic and maintenance points.

PRODUCT INFORMATION

SKU: LBP-FOOD-H1

Brand: Lubpart

Category: Industrial Oils

Origin: Imported

Product Type: Food Grade Lubricant

Use: Food production lines

Application Area: Maintenance and Service, General Production Lines

Sectors: Food

APPLICATION AREAS

- Food production lines
- Maintenance and Service
- General Production Lines

KEY FEATURES

- Hygiene-focused selection
- Process safety
- Maintenance point suitability
- Supports stable equipment operation
- Contributes to maintenance interval management under suitable conditions

PERFORMANCE LEVEL / STANDARDS

- NSF H1
- ISO 21469

TECHNICAL VALUES

The technical values below must be verified against the current official brand technical data sheet.

Property | Test Method | Unit | Typical Value

Kinematic Viscosity @40C | ASTM D445 | mm²/s | To be taken from official TDS

Kinematic Viscosity @100C | ASTM D445 | mm²/s | To be taken from official TDS

Viscosity Index | ASTM D2270 | - | To be taken from official TDS

Density @15C | ASTM D4052 | g/cm³ | To be taken from official TDS

Flash Point | ASTM D92 | C | To be taken from official TDS

Pour Point | ASTM D97 | C | To be taken from official TDS

Copper Corrosion | ASTM D130 | rating | To be taken from official TDS

Foaming Tendency | ASTM D892 | ml | To be taken from official TDS

APPLICATION NOTE

Before filling the system, check old oil residue, filter condition, leakage risk, system cleanliness and the viscosity grade recommended by the equipment manufacturer. Technical support is recommended before mixing with different oil types.

STORAGE

Store in the original closed package in a dry, cool warehouse away from direct sunlight. Close drum and canister caps after use; protect the product from water, dust and foreign matter contamination.

SAFETY

Refer to the current Safety Data Sheet for safe use, handling, storage and disposal. Apply personal protective equipment and plant occupational safety instructions.
