

Lubritalia Special Greases

Technical Data Sheet | SKU: LUBR-GRS

PRODUCT DESCRIPTION

Lubritalia special greases are positioned in the catalog for technical lubrication solutions based on load, temperature and process needs.

PRODUCT INFORMATION

SKU: LUBR-GRS

Brand: Lubritalia SRL

Category: Greases

Origin: Imported

Product Type: Special Grease

Use: Bearings and process equipment

Application Area: Bearing and Greasing Points, Maintenance and Service

Sectors: Iron and Steel, Automotive and Sub-Industry, Other Industrial Production Areas

APPLICATION AREAS

- Bearings and process equipment
- Bearing and Greasing Points
- Maintenance and Service
- Bearings and lubrication points
- Equipment operating under heavy load
- Maintenance and relubrication applications

KEY FEATURES

- Load support
- Temperature stability
- Long-term protection
- Lubricating film support under load and temperature conditions
- Contributes to relubrication interval management

PERFORMANCE LEVEL / STANDARDS

- NLGI
- DIN 51502

TECHNICAL VALUES

The technical values below must be verified against the current official brand technical data sheet.

Property | Test Method | Unit | Typical Value

NLGI Grade | ASTM D217 | - | To be taken from official TDS

Worked Penetration | ASTM D217 | 0.1 mm | To be taken from official TDS

Dropping Point | ASTM D2265 | C | To be taken from official TDS

Base Oil Viscosity @40C | ASTM D445 | mm²/s | To be taken from official TDS

Water Resistance | ASTM D1264 | % | To be taken from official TDS

APPLICATION NOTE

Before application, check the current grease base type, bearing speed, ambient temperature, load level and relubrication interval. Clean the system before mixing with incompatible greases.

STORAGE

Store in the original closed package in a dry, cool warehouse away from direct sunlight. Close drum and canister caps after use; protect the product from water, dust and foreign matter contamination.

SAFETY

Refer to the current Safety Data Sheet for safe use, handling, storage and disposal. Apply personal protective equipment and plant occupational safety instructions.
